Study Halls	\$25 Per Study Hall Per Semester

* Course fees are for the entire academic year. They do not include textbooks/curriculum, or other required notebooks and supplies required for the course. See the text and supplies list for required course materials.

* Payments will be made directly to individual course instructors. Study halls will be paid to Raising Arrows Co-op. Spring semester study hall payments do not need to be paid until the first week of spring semester begins.

*Fees are based on the amount of grading and anticipated instructor feedback that will be required throughout the week.

* Course fees are set for the 2025-2026 school year but are subject to change as years go by.
